2016 DUES DRIVE

SUPPORT YOUR NEIGHBORHOOD

To continue to make enhancements to the Bel Air Neighborhood and create events that encourage a sense of community we need your support by making a voluntary donation towards future neighborhood projects and annual community functions.

Our Goal is to Raise \$20,000.00

CURRENT PROJECTS

Recently we've built new monument entry signs on the intersections of Gore/Bahama & Weldon/Ferncreek. We've painted & repaired the Gore Wall; designed a new entry sign on Belmont. We are enhancing Lake Weldon Park with a new park bench and concrete-pad for you to enjoy our neighborhood park. We've created new community entrance lighting and landscaping. We've placed several Blue City Neighborhood Signs throughout our community entries... And finally, GAS LINES. That's Amazing Progress over the last year!

FUTURE PROJECTS

To continue our remarkable progress, we pledge to finish the Curry Ford/Hazelwood Wall; landscape & maintain our entrances; design and install additional way-finding signs similar to the City Blue Neighborhood signs and replace our Crime Watch signs. We are also exploring locations for additional monument signs at our entries and additional brass signs along our wall and of course, more Gas Lines!
