

We are blessed each day to come home to a lovely neighborhood, where oak trees provide shade, and neighbors wave and feel like family. Our properties hold their value, even through deep recessions. Our homes are coveted, and for good reason. To live in a neighborhood like ours is a rarity these days, especially in the Orlando area.

The BelAir Board is once again asking you help to maintain our first class neighborhood.

Our Goal is to raise \$15,000.00. This will provide funding for

- social events, which bring us together as a family of neighbors.
- printing of flyers and signs, to communicate events to Bel Air families.
- us to paint the wall along Gore Street after the construction is complete, and fund other aesthetic upkeep within our neighborhood to keep it beautiful.

If you have any ideas for Bel Air improvement please contact:
Don Prentiss 407-894-3066 or Thomas Allen 407-619-7272
